- ✓ Policy has been established for remedial of child and young labour in case hired by mistake

Health & Safety

- ✓ Any adverse impact of our business processes on those who carry it out shall be identified and eliminated. Towards this end, we will systematically review our operations to identify sources of health and safety related risks.

- ✓ This review will use appropriate standards as required by prevailing laws, expert opinion and our knowledge of best practices.
- ✓ The review will lead to formulation of clearly described work practices and drills.
- ✓ All our staff will be trained in the manner required to adhere to these work practices and drills.
- ✓ The health of our staff, exposed to certain hazardous processes, will be monitored periodically through appropriate medical checks, and reviewed using expert inputs for improvements.
- ✓ Workers shall not be under the influence of or abusing, drugs, alcohol and/ or other illegal substances.
- ✓ We will seek to substitute the use of material, which are known to cause an adverse impact on the health of workers or health of consumers in the course of its manufacture or use.
- ✓ All workplaces will be constructed to meet safety standards with local regulations as the minimum standards that will be applicable
- ✓ Privilege worker (would be mother and young worker) shall not be allowed to work in hazardous work. Further certain privilege for attendance punching, travelling in staff bus etc will be provided.

Non Discrimination, Disciplinary Practices

- ✓ Any form of discrimination relating to the hiring, discharge, pay, promotion and training of employees on the basis of race, caste, national origin, religion, age, disability, gender, marital status, sexual orientation, HIV status, Migrant status, membership of worker representative bodies, political affiliations, or any criteria that are unlawful is strongly discouraged by the Company and any such reported incidents will be viewed as a serious violation of this Business Principles.
- ✓ SSB Metal Works will ensure that employees who have certain life threatening diseases or illnesses are not treated differently from other employees, and will continue to employ such personnel, as long as they are physically and mentally fit to attend to their normal job responsibilities.
- ✓ SSB Metal Works encourages all personnel to voice concerns promptly, if they have a genuine reason to believe that a policy, company operation or practice is or will likely be in violation of any law, regulation or internal Company rule or policy, including this Business Principles.
- ✓ SSB Metal Works shall assures all employees who come forward in good faith to report issues, that they will be treated fairly and respectfully.

Forced Labour

- ✓ The management of SSB METAL WORKS (COMPLIANCE GROUP) is fully committed to ensuring that forced or involuntary labour is not practiced in any form at any of its facilities. Any reported incidents relating to forced labour will be considered as a serious violation of these Business Principles.

Human Rights

- ✓ All employees in the Company's facilities will be treated with equality, respect and dignity.
- ✓ SSB METAL WORKS will not interfere in the right of employees to observe tenets or practices based on caste, race, national origin, gender, religion, disability, union membership, or political affiliation.
- ✓ The Company strongly discourages any form of sexually coercive, threatening, abusive or exploitative behavior.
- ✓ Any reported incidents relating to direct or indirect physical, sexual, racial, religious, psychological, verbal, or any other form of harassment or abuse, or any other form of intimidation or degrading treatment will not be tolerated by the company.
- ✓ HSE & Anti sexual harassment committees are formed and committee shall review the compliance at regular intervals.

Environment Protection

- ✓ SSB METAL WORKS is committed to effective environmental management as one of its important corporate priorities, and will focus on the following initiatives:
- ✓ Compliance with all applicable environmental laws and regulations
- ✓ The impact of each of our operations on the environment will be systematically assessed for compliance with appropriately defined standards and reviewed periodically to mitigate or eliminate such impact.
- ✓ Improvement of employee environmental awareness and performance through detailed policies and procedures, training, and recognition of excellence.
- ✓ Measurement of environmental performance through auditing with employee accountability and reporting to senior management.
